Vineyard Northwest Childcare Policy

Purpose: To provide Christ-centered care for children age 6 weeks through 5th grade while their parents attend special services, programs and conferences at Vineyard Northwest.

Requirements:

- The Childcare program's highest priority is providing a safe environment for the children. It may be necessary to limit the number of children based on staffing, volunteers and the children's stage of growth, development, or behavior.
- Children must be signed in by an adult at the check-in area and receive a numbered nametag. Children will be released only to the adult with the coordinating number tag. Children are expected to be picked up immediately following the end of the event, or two hours after the service begins; whichever is first.
- Parents must remain on site and notify the childcare staff of their location in the building. In any case of an accident, injury, or illness of a serious nature, parents will be contacted immediately.
- Any child may be denied admission to Childcare if they meet any of the criteria listed on the posted Sick Child Policy.
- A snack will be provided midway through the event.
- Any required medications must be administered by the parent throughout the evening, as Childcare staff is prohibited from administering any medicine.

I have read and understand the above policies.
