Vision

The School of Kingdom Ministry is a supernatural ministry school developed for the everyday person and the everyday church. Our goal is to provide top-notch teaching and equipping to any believer who is interested. We believe in the Vineyard value "Everybody gets to play" and so we think everybody deserves to be trained. This goal underscores the values and purpose for which we built the School of Kingdom Ministry.

We know pastors and ministry leaders are busy. You don't' have time to add extra things to your plate, so we'll bring the School of Kingdom Ministry to your church or ministry without you having to do any extra work.

Format of Classes – 5:30-8:30 Sunday Nights

The School of Kingdom Ministry is designed to run as a three hour class one a week for nine months. We've found this schedule allows a wide range of life stages to participate in a manageable way, yet offer a consistent enough experience to result in real life change. Within these three hours there are three different components:

Teaching: Education about various aspects of discipleship and power ministry.

Activation: Getting your feet wet in the supernatural with a guide to help you along the way. We have a whole curriculum of activities designed to help you experience and learn to flow with the gifts of the Spirit.

Practice: Students put into practice what they've been learning in a number of different ministry contexts. Having a variety of activities gives a more rounded and more stretching experience for everyone.

Finances

A \$50.00 non-refundable registration fee is due for **each applicant** at the time the application is submitted. **This fee is separate from tuition.** This is a one time fee that covers both semesters.
